

A Legendary Legacy

Inspirational. Transformative. Impactful. These are all words that can be used to describe the incredible influence that Dr. Paul-Elliott Cobbs has had on the students of the Tacoma Youth Symphony Association for the last 27 years. As the conductor of the Tacoma Youth Symphony (and also, formerly the conductor of the Tacoma Junior Youth Symphony), he has challenged students each week to work hard and to reach beyond their current level to new heights. He tells the students that he only makes them work so hard because he likes them so much; sometimes they wish he didn't like them quite so much, but at the same time, they know that they are valued and cared for.

That challenge to work hard to reach full potential extends past the rehearsal hall. In his own words, Dr. Cobbs firmly believes that "the lessons of diligence, determination, self-confidence, and love needed to succeed in music is also necessary in everyday situations." He has met with students struggling in school after rehearsal to encourage them to focus on what is being asked of them. He has taught students discipline and every student that has come through TYSA since 1997 can quote "Early is on time, on time is late, and late is unacceptable!" Students from TYSA have gone on to top music schools across the country but have also pursued careers in medicine, law, engineering, IT, education, and the military. TYSA alumni come back to visit and point to the lessons learned during their time in TYSA as part of the key to their success.

Beyond pursuing strong music education and teaching valuable life lessons, Dr. Cobbs has helped to create a culture of acceptance at TYSA. New students come to TYSA and realize they have found "their people." The students of TYSA genuinely respect, support, and care for each other. This culture is something that Dr. Cobbs feels strongly about and has worked hard to maintain.

We asked colleagues of Dr. Cobbs to say a few words about the time they have known him. Carrie Rehkopf Michel had this to say about Dr. Cobbs:

"For over thirty years at CWU I have been lucky enough to mentor and work with many TYSA students. These outstanding human beings are the results of the leadership and exceptional culture fostered and nurtured by Paul and Loma Cobbs. In addition, the ways the Drs. Cobbs have inspired me as a person and educator are impossible to enumerate. I stand in awe of them and love them deeply. They have enriched my life in so many ways."

Elizabeth Ward said this:

"Impressions of Dr Cobbs: a **consummate musician** and **conductor**; **sharing** his musical journey; a **kind** and **thoughtful** hand when needed; **teaching** TYS students 'the process' of learning to use as a guide for successful outcomes. It has been educational, enlightening and wonderful! Thank you, Dr Cobbs."

Come celebrate this amazing human being and the legendary legacy he leaves behind as he retires from TYSA at the final TYS concert on May 18 at 7:00 in the Pantages Theater! Tickets are available at www.tysamusic.org.

Thank you!

Special thanks to Sue Daulton for her 20+ years of service on the TYSA Board of Directors! Sue has given tirelessly to TYSA and has provided strong leadership. She helped to spearhead the Trivia Night Fundraiser, as well as other fundraising activities, and continues to give her time, even now that she is no longer on the Board. Thank you Sue for everything you have done for TYSA!

Thank you to all of our incredible volunteers! Thank you to all who helped with the TYSA Trivia Night Fundraiser, the Discover Music Concert, and our run-outs to Victorian Country Christmas, the Tacoma Art Museum, Merrill Gardens, and the TSP side by side at Masson Middle School. Thank you to all of our wonderful concert volunteers, who come early and willingly help clean up after concerts. Thank you to the parents who helped our Picture Day run smoothly and to everyone who helped with mailings. Thank you to our wonderful Board of Directors who have worked so hard to make this year a success and to ensure the future of TYSA. Thank you to the parents who support the students and help to make a music education possible for their children. And thank you to our incredible students for providing joyful reminders each week of why we do this! We so appreciate our entire TYSA Family!

Volunteers of the Year

We have such great TYSA volunteers! The job of choosing a volunteer of the year each year is very difficult since there are so many volunteers that fit that profile. Here are this year's choices:

Congratulations to our 2024 Volunteer of Note, Mrs. Cathy Johnson. Mrs. Johnson is a cellist and a retired orchestra teacher. Her grandson is following in her footsteps as a cellist in the Tacoma String Philharmonic. For the last several years, Mrs. Johnson has come each week to volunteer in both TSS and TSP, and has helped however she is needed. Thank you for your amazing work with our youngest string students!

Congratulations to Samuel Richards, our 2024 Student Volunteer of Note! Samuel is a cellist in the Tacoma Youth Symphony. He has helped us out this year in so many ways. He is a mentor in TSP. Last summer, he jumped in to help with auditions when we were short-handed. He is always around to help set up chairs and put chairs away after rehearsal and willing steps in to help carry when he sees someone struggling under a heavy load. Thank you, Samuel, for your quiet, unassuming help!

Cathy Johnson and Samuel Richards were recognized at the concert on May 4 at Mason Methodist. Thank you to all of our volunteers who make the work we do possible!
